Spring clean-up preparation

P. Wilson requested via email prior to meeting to address sink holes in commons area around the volleyball net and behind 1351 Merriweather Ct. near the walking path. It has been previously determined that the sinkholes are caused by rotting stumps buried in the area. To dig them up would be too costly. Motion made by J. Pavelko to order fill dirt for May 2nd spring clean-up. Fill dirt will be used as a temporary solution to fill sink holes identified in this area. Motion seconded. None opposed, motion carried. Abu E. will order fill dirt for clean-up day.

Meeting adjournment

Motion made to adjourn meeting. Motion seconded. No objections. Meeting adjourned approx. 8:30 pm. The next meeting will be held in the park immediately following the Spring clean-up activities on May 2nd, 2015.

Respectfully submitted,

Phil Wilson
