

Highgate on the Lake

Board Meeting Minutes

November 8, 2009

The meeting began at 7:00pm at Tom Hamm's home. Present were board members Tom Hamm, Dean Temple, Jennifer Mulder, Sara Jonckheere, Kurt Kazyak, Rob Santoni, Danielle McDermott, and Heidi Skodack.

The October meeting minutes were unanimously approved.

New Business

- The proposed budget for 2010 was distributed to board members. All members were asked to look over their department and make as many cuts as possible for next month's meeting. We are looking to set aside as much money as possible for the bike path repairs.
- There is a tree behind Minar's house that is dead and needs to come down. Rob Santoni got a price of \$650 to have it taken down. Because the trunk is hollow, it would need to be climbed and chunked rather than dropped, which is safer to do now than in the spring. The board voted to have the tree removed as soon as possible, Yes-8 No-0.
- The bill for lawncutting is due. We budgeted for 22 cuts but have only used 21. The board decided to save our last cutting and apply it to next year's cutting schedule.
- Resident Mary Tuomikoski (Stonegate Ct) passed last month. A card was sent to her family on behalf of the entire Highgate on the Lake subdivision.
- Rob Santoni asked if any residents would be interested in having a concrete driveway put in next spring. Based on the quote he received, money would be saved based on the amount of residents willing to do it at the same time. If you are seriously considering this, please contact Rob.
- The board found out that the city is responsible for cutting trees down in the islands of the courts and replanting free of charge to us. We will be sending them a letter from the subdivision so that we will be put on a list to have the dead trees removed and replaced next spring.
- Please check out our subdivision website. Minute meetings can be found there.
